

App # 10/054,202

Abstract of the Disclosure 4/30/2002

1. The nature of the "Bath Buddy" soap holder is that it can be used with small bars of soap and/or regular bars of soap. Bath buddy also has a handle for easy hanging up of the unit. This invention will allow the user an easy to use bathing tool that will utilize all of the soap placed inside of it.
